Dear Professor Riordan,

Re: Notification of Trade Dispute for a failure to provide an assurance that there will be no compulsory redundancies

Thank you for your letter of November 28. We note with dismay your failure to provide an assurance that there will be no compulsory redundancies, and your refusal to call a meeting of the Joint Negotiating Committee. Having exhausted the procedures for the avoidance and resolution of disputes as set out in our Recognition Agreement, we have no choice but formally to declare a Trade Dispute over your failure to provide an assurance that there will be no compulsory redundancies.

We have written to you under separate cover setting out the main issues.

Yours sincerely

Cardiff UCU Executive Committee
