

# HOW CAN STAFF SUPPORT STRIKING WORKERS?

## Show your support to those on picket lines

Losing pay and standing outside for hours on end (often in the cold and rain!) can be hard, so showing support to your colleagues means a lot.

Stop for a chat or, even better, don't cross picket lines altogether. Share your support on social media using [#UCURising](#) and [#DigitalPicketLine](#).

## Email the VC

Link to template email

## Come to rallies

Everyone is welcome to join our rallies. Bigger crowds strengthens the movement, which means employers are more likely to end the dispute.

Rally dates posted here

## Donate to the strike fund

Staff and PGR students are sacrificing their pay to improve pay, working conditions and pensions for everyone. If you can afford it, support them by donating to the strike fund.

## Join the union

More members strengthens the union, which means we can end the dispute faster!

UCU membership is free for students
